The maps and legal descriptions will be reviewed by the County Surveyor to determine whether they are technically correct and in an acceptable form to be recorded. 3. The Survey Division shall submit to the County Recorder for recordation the new legal description, Exhibit "B," and a new deed implementing the merger within twenty (20) days after it has been approved by the Survey Division.

II. REQUIREMENTS FOR FILING APPLICATION

The application for a Certificate of Parcel Merger requires the completion of simple forms requiring ownership and legal descriptions of the properties involved, the preparation of maps illustrating the proposal, and the payment of a processing fee. The legal owners of the parcels involved will be responsible for the accuracy of all information submitted in connection with this application.

The items required to be submitted will be legal documents that must be recorded. Therefore, the forms must be typed, and the exhibits drawn legibly. Also, to assure the reproducibility of the documents, use black ink on all forms and maps.

The county assessor cannot merge parcel boundaries unless all current and past taxes have been paid on the involved parcels. It is the property owner's responsibility to assure that all property tax liabilities have been met.
