**RE: Notice of Acceptance of Proposal and Intent to Award
Slurry Seal and Curb Ramp Accessibility Project**
For Fiscal Year 2022 - 2023
District 1, Project No. D3-0006, D3-0011
District 2, Project No. D3-0007, D3-0012

Dear Mr. Allan:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received November 9, 2022 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The Contract includes:

Base Bid Schedule:	Slurry Seal Project
Alternative Bid Schedule 1:	Curb Ramp Accessibility Project
Alternative Bid Schedule 2:	Replace Asphalt Concrete Surface
Alternative Bid Schedule 3:	Slurry Seal Project City of Corona
Alternative Bid Schedule 4:	Slurry Seal Project City of Lake Elsinore

Proposal cost submitted by Roy Allan Slurry Seal, Inc. required two corrections. Bid Item No. 20 submitted Bid unit/item price is clearly written in the amount of \$2,200.00; however, the subtotal for this item was not written correctly. This submitted unit/item price is consistent with other bidders and the unit price prevails per the Instructions to Bidders section 15, "Bids". As a result, the subtotal for this item is increased from \$16,000.00 to \$17,600.00.

Additionally, the submitted Proposal subtotal for Alternative Bid Schedule 1 subtotal has a math/addition error. Accordingly, the corrected subtotal for Alternative Bid Schedule 1, including Bid Item No. 20 is \$751,3000 (\$43,400 less than submitted subtotal amount). Therefore, the total contract amount for all bid schedules, including these two corrections, is \$ 3,280,342.36.

Attached for execution, by your company, are four sets of the construction contracts, Performance Bond form, and Payment Bond form.

In accordance with Section 20 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of this letter, four (4) sets of executed original construction contracts, **two (2) original** Performance Bonds, **two (2) original** Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation **must** include additional insured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. All additional insured endorsements must be signed by an authorized broker or by the insurance carrier.

Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4, "Insurance and Hold Harmless", Subsection F, "Hold Harmless/Indemnification" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. County of Riverside, its Agencies, Special Districts and Departments, their respective director, officers, Board of Supervisors, elected and appointed officials, employees, agents, and representatives.
2. City of Corona, its directors, officers, elected and appointed officials, employees, agents, and representatives.
3. City of Lake Elsinore, its directors, officers, elected and appointed officials, employees, agents, and representatives.

The additional insured entity(s) as listed above shall also be held harmless, in accordance with the requirements of General Conditions Section 4, "Insurance and Hold Harmless" of the Specifications and Contract Documents Book.

Also, please provide us with a Corporate Resolution authorizing the signatory of the contract to sign such documents on behalf of your corporation.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the contract and copies of the bonds and insurance will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.
