Notes:

- 1 Zones A1 & B1 reflect fee schedules for developments that are included in the Scott Road CFD 05-8. Developments that are not part of CFD 05-8, but fall inside the CFD annexation boundary and are within the County's jurisdiction may annex into the CFD.
- 2 RBBB credits were previously available in Zones A & B to offset an overlap with the TUMF program. However, with the adoption of the latest TUMF Nexus Study Update on July 10, 2017, this overlap was removed from the TUMF Network Cost. Therefore, RBBB credits are no longer available as a result of this correction.
