Please Note:

- Four bullet points providing notes on speed bumps, 'Children at Play' signs, speed limit signs on dirt roads, and the Basic Speed Law.

Speeding is an enforcement issue. Past experience has shown the most effective tool to curtail speed violators is active law enforcement. Should you observe habitual speed violators in your community, it is recommended you contact your local California Highway Patrol (C.H.P.) office. Information relating to vehicle description, time of day, direction of travel, and license plate number is very useful for the C.H.P. in prioritizing limited manpower and resources.

Thank you for your interest in traffic safety.
