Dear Mr. Richardson:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received September 11, 2013 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The Contract includes the Base Bid schedule and the Alternate Bid schedules associated with the Coachella Valley Water District. The total Contract amount is \$17,646,646.00.

Attached for execution, by your company, are five sets of the construction Contracts, a Performance Bond form, and a Payment Bond form.

In accordance with Section 20 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of the date of this letter, five (5) sets of executed original construction Contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation shall include additional ensured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. Insurance carrier or their authorized broker **must sign** all additional ensured endorsements. Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4, Subsection F, "Insurance and Hold Harmless" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. State of California, Transportation Department (CALTRANS), its director, officers, elected and appointed officials, employees, agents, and representatives
2. Union Pacific Railroad (UPRR), its director, officers, elected and appointed officials, employees, agents, and representatives

6. Kinder Morgan, its director, officers, elected and appointed officials, employees, agents, and representatives (additional insured added by Addendum No. 1, Item 3.)

Also, per Addendum No. 2, Item 3, your company shall maintain, during the course of all work under the Contract, "Contractor's Pollution Liability Insurance", with available coverage limit of \$2,000,000 per occurrence, minimum, and shall provide certification. Each of the parties required to be named as additionally insured, as described in the bid documents, shall be named as additionally insured under the Contractor's Pollution Liability line of Insurance. Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the Contract and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.
