**RE: Notice of Acceptance of Proposal and Intent to Award
Murrieta Hot Springs Road Resurfacing Project
Winchester Road to Calistoga Drive
Project No. B8-0669**

Dear Mr. Kirschner:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received June 26, 2013 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The agreement includes the base bid and Alternate 3 (De Luz Road Shoulder Widening). Alternate 1 (Median Improvements) and Alternate 2 (Utility Adjustments-EMWD) were not selected for award. Therefore, the agreement contract amount is \$1,305,000.00.

Attached for execution, by your company, are five sets of the construction contract agreements, a Faithful Performance Bond form, and a Payment Bond form.

In accordance with Section 12 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of the date of this letter, five (5) sets of executed original construction agreements, two (2) original Faithful Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation shall include additional ensured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. Insurance carrier or their authorized broker **must sign** all additional ensured endorsements. Attached to this letter is a Standard Public Works Contracts Insurance Requirements list.

In addition to the requirements of Section 18, "Insurance – Hold Harmless" of General Conditions in the contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy.

1. Caltrans, its officers, directors, employees and agents
2. Eastern Municipal Water District, its officers, directors, employees and agents
3. City of Murrieta , its officers, directors, employees and agents

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the agreement and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.

If you have any questions or need additional information, please contact me at your convenience at (951) 955-1537 or Saleem Baig at (951) 955-1682.

Sincerely,
