**RE: Notice of Acceptance of Proposal and Intent to Award  
Slurry Seal Project  
District 1, Project No. C4-0006  
District 3, Project No. C4-0008**

Dear Mr. Ford:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received July 15, 2015 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The Contract includes Base Bid Schedule and Alternate Bid Schedules 1B and 2; therefore, the total contract amount is \$2,626,932.00

Your company's Bid for the referenced project had the following inadvertent clerical errors:

1. Bid item 14 was listed for two subcontractors; Safe USA, Inc. and Global Road Sealing, Inc.
2. The license number for Global Road Sealing Inc. was written as 775584; however, the correct license number is 757584.

Your company has provided the clarification and corrections to the errors per PCC 4107.5, and confirmed that item 14 will be performed by Global Road Sealing. Both subcontractors who were listed for this item of work have acknowledged and agreed with this clerical error documentation. Also, correct license number for Global Road Sealing, Inc. was provided.

Attached for execution, by your company, are four sets of the construction contract, a Faithful Performance Bond form, and a Payment Bond form.

In accordance with Section 21 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of this letter, four (4) sets of executed original construction contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation shall include additional ensured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. Insurance carrier or their authorized broker **must**

**sign** all additional insured endorsements. Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4 "Insurance and Hold Harmless" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. The County of Riverside, its directors, officers, elected and appointed officials, employees, agents, and representatives.

Above listed entity shall also be held harmless, in accordance with the requirements of Section 4, "Insurance and Hold Harmless" of the contract documents.

Also, please provide us with a Corporate Resolution authorizing the signatory of the contract to sign such documents on behalf of your corporation.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the agreement and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.

If you have any questions or need additional information, please contact me at your convenience at (951) 955-1537 or Saleem Baig at (951) 955-1682.

Sincerely,
