**RE: Notice of Acceptance of Proposal and Intent to Award  
Slurry Seal Project  
District 4, Project No. C4-0009  
District 5, Project No. C4-0010**

Dear Mr. Stone:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received July 15, 2015 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The Contract includes Base Bid Schedule and Alternate Bid Schedules 1B; therefore, the total contract amount is \$1,391,691.90

Your company's Bid for the referenced project had an inadvertent error. The license number provided for Safe USA Inc. (subcontractor) was written as 874083; however, the correct license number is 874085. The correct license number was verified, via e-mail, by your company.

Attached for execution, by your company, are four sets of the construction contract, a Faithful Performance Bond form, and a Payment Bond form.

In accordance with Section 21 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of this letter, four (4) sets of executed original construction contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation shall include additional ensured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. Insurance carrier or their authorized broker **must sign** all additional ensured endorsements. Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4 "Insurance and Hold Harmless" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity

shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. The County of Riverside, its directors, officers, elected and appointed officials, employees, agents, and representatives.

Above listed entity shall also be held harmless, in accordance with the requirements of Section 4, "Insurance and Hold Harmless" of the contract documents.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the agreement and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.

If you have any questions or need additional information, please contact me at your convenience at (951) 955-1537 or Saleem Baig at (951) 955-1682.

Sincerely,

Joel Jimenez, P.E.
