**RE: Notice of Acceptance of Proposal and Intent to Award  
Columbia Street Resurfacing Project  
From Stetson Avenue to Florida Avenue  
In the East Hemet Community  
Project No. C1-0557**

Dear Mr. Carlson:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received October 12, 2016 for the referenced project, and that the County of Riverside intends to award the construction Contract to your firm. The Contract includes the Base Bid Schedule and the Alternate Bid Schedule 1. The total Contract amount is \$1,116,441.41.

When your Bid was reviewed, it was discovered that Base Bid Schedule 1 subtotal was not added correctly on your Proposal. The subtotal for Base Bid Schedule 1 is corrected to the amount of \$1,025,184.61.

Additionally, your Bid required correction of the Bid Unit price for Item No. 25. Refer to Section 16, "Like Bid Items", on page A9, of the contract documents. The bid is corrected by applying lowest of the unit bid amounts to all the respective "Like Bid Items".

For your information and use, a copy of your company's proposal is attached. Additionally, a copy of the bid summary is also attached for your reference.

Attached for execution, by your company, are four sets of the construction Contracts, Performance Bond form, and Payment Bond form.

In accordance with Section 20 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of the date of this letter, four (4) sets of executed original construction contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation shall include additional insured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. Insurance carrier or their authorized broker **must sign** all additional insured endorsements. Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4, Subsection F, "Insurance and Hold Harmless" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

- The County of Riverside, its supervisors and appointed officials, employees, agents, and representatives.
- The City of Hemet, its elected and appointed officials, employees, agents, and representatives.
- The State of California, Department of Transportation, its elected and appointed officials, employees, agents, and representatives.
- Lake Hemet Municipal Water District, its elected and appointed officials, employees, agents, and representatives.

Each of the above listed entity(s) shall also be held harmless, in accordance with the requirements of Section 4, "Insurance and Hold Harmless" of the Contract.

Also, please provide us with a Corporate Resolution authorizing the signatory of the contract to sign such documents on behalf of your corporation.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the agreement and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.

If you have any questions or need additional information, please contact me at your convenience at (951) 955-1537 or Roman Ramirez at (951) 955-6786.

Sincerely,  

Joel Jimenez, P.E.  
Senior Civil Engineer
