**RE: Notice of Acceptance of Proposal and Intent to Award
Interstate 215 at Scott Road, Interchange Improvements
In the City of Menifee
Project No. B3-0689
Federal Aid No. STPLN-5956(262)**

Dear Mr. Stroud:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received April 25, 2018 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The Contract includes the Base Bid Schedule and Alternate Bid Schedules 1, 2 and 3. The total contract amount is \$32,536,611.00.

Your company submitted Exhibit 15G Construction Contract DBE Commitment within the allowed period for compliance after bids were received and the total claimed DBE participation is in the amount of \$2,154,629. Since your company's DBE commitment was documented at 7%, your company was required to provide a Good Faith Effort (GFE) submittal. Exhibit 15H, DBE Information- GFE, was submitted along with support documentation within the allowed period for compliance.

After reviewing your submittal, the DBE Liaison Officer has accepted your DBE and GFE submittal. The County has recommended award to your company, based on a GFE, to Caltrans Office of Policy Development and Quality Assurance (OPDQA) within the Division of Local Assistance and also to the District Local Assistance Engineer (DLA). As stated in the pre-bid meeting, the OPDQA and DLA are required to review and provide feedback prior to awarding a contract for projects greater than \$2 million and that will be awarded based on a GFE.

Furthermore, your company is recommended to make an effort to increase DBE participation within the limitations of the Public Contract Code §4100 et sq., "Subletting and Subcontracting Fair Practices Act". Your company may increase DBE participation for trucking, supplies, materials, and subcontracts in separable amounts of rendered service less than ½ of 1% of the total bid (contract) amount.

Attached for execution, by your company, are four sets of the construction contracts, Performance Bond form, and Payment Bond form.

In accordance with "Instructions to Bidders" Section 28 "Award of Contract" of the bid documents, you are directed to return to this office, within 10 working days of the date of this letter, four (4) sets of executed original construction contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation must include additional insured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. All endorsements must be signed by authorized broker or insurance carrier.

Attached to this letter is a Brief List of Contract Insurance Requirements. Attention is directed to Addendum No. 2, Item 7, regarding amended insurance requirements for Commercial General and Automobile Liabilities.

In addition to the requirements of "General Conditions" Section 4 "Insurance and Hold Harmless" of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entity(s) as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. The County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents, and representatives.
2. State of California, Department of Transportation, its elected and appointed officials, officers, directors, employees, agents, and representatives.
3. The City of Menifee, its elected and appointed officials, officers, directors, employees, agents, and representatives.
4. The City of Murrieta, its elected and appointed officials, officers, directors, employees, agents, and representatives.
5. Eastern Municipal Water District (EMWD), its officers, directors, employees, agents, and representatives.
6. Frontier Communications, its officers, directors, employees, agents, and representatives.

Each of the above listed entities shall also be held harmless, in accordance with the requirements of General Conditions Section 4, "Insurance and Hold Harmless" of the Specifications and Contract Documents Book.

Attention is also directed to Special Provisions Section 00-1.09, "Course of Construction Insurance" regarding additional insurance requirements.

Also, please provide us with a Corporate Resolution authorizing the signatory of the contract to sign such documents on behalf of your corporation.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the Contract and bonds will be returned to you for your file.

Attached is a copy of the summary of bids for your use and reference.
