**RE: Notice of Acceptance of Proposal and Intent to Award
Santa Ana River Trail
Multipurpose Trail and Bike Lane
In the Chino Hills State Park
Project No. C1-0642**

Dear Mr. Pim:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received October 10, 2018 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The Contract includes one bid schedule and the total contract amount is \$979,241.00.

Attached for execution, by your company, are four sets of the construction contracts, Performance Bond form, and Payment Bond form.

In accordance with Section 20 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of this letter, four (4) sets of executed original construction contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation shall include additional ensured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. Insurance carrier or their authorized broker **must sign** all additional ensured endorsements. Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4, "Insurance and Hold Harmless", Subsection F, "Hold Harmless/Indemnification" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. County of Riverside, its Agencies, Special Districts and Departments, their respective director, officers, Board of Supervisors, elected and appointed officials, employees, agents, and representatives.
2. Riverside County Regional Parks & Open Space District, its elected and appointed officials, employees, agents, and representatives.
3. Riverside County Flood Control and Water Conservation District, its elected and appointed officials, employees, agents, and representatives.
4. Chino Hills State Park, its elected and appointed officials, employees, agents, and representatives.
5. Metropolitan Water District, its elected and appointed officials, employees, agents, and representatives.
6. U.S. Army Corps of Engineers, its elected and appointed officials, employees, agents, and representatives.
7. State of California Department of Transportation (CalTrans), its elected and appointed officials, employees, agents, and representatives.
8. Santa Ana Watershed Project Authority, its elected and appointed officials, employees, agents, and representatives.

Each of the above listed entities shall also be held harmless, in accordance with the requirements of General Conditions Section 4, "Insurance and Hold Harmless" of the Specifications and Contract Documents Book.

Also, please provide us with a **Corporate Resolution** authorizing the signatory of the contract to sign such documents on behalf of your corporation.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the agreement and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.

If you have any questions or need additional information, please contact me at your convenience at (951) 955-1537 or Saleem Baig at (951) 955-1682.

Sincerely,

Joel Jimenez, P.E.
Senior Civil Engineer
