Lincoln Street Pavement Restoration and Sidewalk Project
5th Street/Hamond Road To 62nd Avenue
Community of Mecca
Project No. C1-0609**

Dear Mr. Richardson:

County of Riverside Transportation Department received and publicly opened bids for referenced project on February 24, 2021. LC Paving Company was named as the apparent low bidder when the submitted bid totals were announced. The bid received from LC Paving Company was found to be non-responsive due to the submittal of a Bid Bond not using the bid document form provided in the bid book. Therefore, the second apparent low bid, received from your company (Granite Construction company), became the lowest responsive bid.

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received February 24, 2021 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The total contract amount is \$2,558,552.

In accordance with Section 20 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of this letter, four (4) sets of executed original construction contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation must include additional insured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. All additional insured endorsements must be signed by an authorized broker or by the insurance carrier.

Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4, "Insurance and Hold Harmless", Subsection F, "Hold Harmless/Indemnification" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. County of Riverside, its Agencies, Districts, Special Districts and Departments, including but not limited to the Riverside County Flood Control and Water Conservation District, and the Riverside County Regional Park and Open Space District, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives.

The above listed entity shall also be held harmless, in accordance with the requirements of General Conditions Section 4, "Insurance and Hold Harmless" of the Specifications and Contract Documents Book.

Also, please provide us with a Corporate Resolution authorizing the signatory of the contract to sign such documents on behalf of your corporation.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the agreement and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.

If you have any questions or need additional information, please contact me at your convenience at (951) 955-1537 or Saleem Baig at (951) 955-6770.
