**Ramona Expressway Reconstruction**  
0.65 Miles East of Warren Road to 0.15 Miles West of Sanderson Avenue  
City of San Jacinto  
Project No. D2-0018

Dear Mr. Carlson:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received January 6, 2021 for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The contract includes the Base Bid Schedule and Alternative Bid Schedules 1 and 3; Alternative Bid Schedule 2 is not selected for award. Therefore, the total contract amount is \$7,903,891.59.

Regarding the project number for Ramona Expressway Reconstruction project, the original project number D1-0020 has been replaced by project number D2-0018. Whenever and wherever in the Contract Documents the project number D1-0020 is used, it shall be understood to mean and refer to project number D2-0018.

Attached for execution, by your company, are four sets of the construction contracts, Performance Bond form, and Payment Bond form.

In accordance with Section 20 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of this letter, four (4) sets of executed original construction contracts, two (2) original Performance Bonds, two (2) original Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation must include additional ensured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. All additional insured endorsements must be signed by an authorized broker or by the insurance carrier.

Attached to this letter is a Brief List of Contract Insurance Requirements.

Notice of Acceptance of Proposal and Intent to Award

January 14, 2021

Page 2 of 2

---

In addition to the requirements of Section 4, "Insurance and Hold Harmless", Subsection F, "Hold Harmless/Indemnification" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. The County of Riverside, its Agencies, Special Districts and Departments, their respective director, officers, Board of Supervisors, elected and appointed officials, employees, agents, and representatives.
2. City of San Jacinto, their elected or appointed officials, employees, agents and representatives.
3. City of Perris, their elected or appointed officials, employees, agents and representatives.

Each of the above listed entities shall also be held harmless, in accordance with the requirements of General Conditions Section 4, "Insurance and Hold Harmless" of the Specifications and Contract Documents Book.

Also, please provide us with a Corporate Resolution authorizing the signatory of the contract to sign such documents on behalf of your corporation.

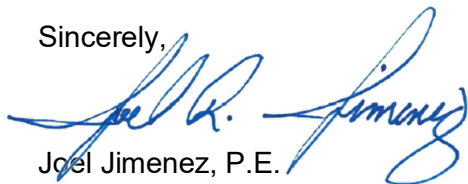

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the agreement and bonds will be returned to you for your file.

I have attached a copy of the summary of bids for your use and reference.

If you have any questions or need additional information, please contact me at your convenience at (951) 955-1537 or Roman Ramirez at (951) 955-6786.

Sincerely,

Joel Jimenez, P.E.  
Engineering Project Manager
