**RE: Notice of Acceptance of Proposal and Intent to Award  
Stetson Avenue Resurfacing Project**  
Santa Fe Street to 150-Foot East of Hemet Street  
Community of East Hemet  
Project No. D0-0016

Dear Mr. Kirschner:

Please consider this as the County of Riverside's notice to your firm that it accepts your proposal received August 24, 2022, for the referenced project, and that the County of Riverside intends to award the construction contract to your firm. The Contract includes:

- Base Bid Schedule: Stetson Street Resurfacing
- Alternative Bid Schedule 1: City of Hemet Portion (Santa Fe Street to City Limit)
- Alternative Bid Schedule 2: EMWD Manhole Adjustments
- Alternative Bid Schedule 3: Frontier Manhole Adjustments

Regarding Alternative Bid Schedule 1, City of Hemet Portion, this schedule is pending official acceptance and concurrence at Hemet City Counsel's meeting on September 13, 2022. This Alternative Bid Schedule 1 will be recommended for concurrence to be awarded with this construction contract. The Transportation Department requires City of Hemet's official acceptance prior to the Transportation Department requesting the County of Riverside Board of Supervisors to award this construction contract with Alternative Bid Schedule 1 and all other selected alternative bid schedules.

The total contract amount is \$ 3,172,000.00.

Attached for execution, by your company, are four sets of the construction contracts, Performance Bond form, and Payment Bond form.

In accordance with Section 20 "Award of Contract" of the "Instructions to Bidders" section of the bid documents, you are directed to return to this office, within 10 working days of this letter, four (4) sets of executed original construction contracts, **two (2) original** Performance Bonds, **two (2) original** Payment Bonds, and one (1) complete insurance certificate package that conforms to the terms of the bid documents.

Insurance documentation **must** include additional insured endorsements for General Liability policies, Automobile Liability policies, and Excess Liability policies. Additionally, a Waiver of Subrogation shall be furnished for the Worker's compensation policy. All additional insured endorsements must be signed by an authorized broker or by the insurance carrier.

Attached to this letter is a Brief List of Contract Insurance Requirements.

In addition to the requirements of Section 4, "Insurance and Hold Harmless", Subsection F, "Hold Harmless/Indemnification" of the "General Conditions" section of contract documents, the Contractor's Certificate of Insurance and endorsements for the project shall name the following listed entities as additional insured under the Contractor's general liability, excess liability, and auto liability insurance policies, and each listed entity shall be named on the Waiver of Subrogation for the Contractor's Workers Compensation policy:

1. County of Riverside, its Agencies, Special Districts and Departments, their respective director, officers, Board of Supervisors, elected and appointed officials, employees, agents, and representatives.
2. The City of Hemet, their elected or appointed officials, directors, employees and agents.
3. Riverside County Flood Control and Water Conservation District, their elected or appointed officials, directors, employees and agents.
4. Lake Hemet Municipal Water District, their elected or appointed officials, directors, employees and agents.
5. Eastern Municipal Water District, their elected or appointed officials, directors, employees and agents.
6. Frontier Communications, their elected or appointed officials, directors, employees and agents.

The additional insured entity(s) as listed above shall also be held harmless, in accordance with the requirements of General Conditions Section 4, "Insurance and Hold Harmless" of the Specifications and Contract Documents Book.

Also, please provide us with a Corporate Resolution authorizing the signatory of the contract to sign such documents on behalf of your corporation.

Failure to execute the documents and submit all of the above listed documents to the Transportation Department within the specified time may cause the County of Riverside to consider your firm as not being in compliance with the bid documents, resulting in rescission of the Notice of Acceptance and Intent to Award, and your bid bond being forfeited on that basis.

Following full execution and award of the contract by the County of Riverside Board of Supervisors, one original set of the contract and copies of the bonds and insurance will be returned to you for your file.
